Subject: MidCoast check-in

All,

It's going to be tough to get a DEQ quorum for our scheduled MidCoast check-in this afternoon, much less to go over LSAC-TWG Action items/de-brief. However, if it appears that Peter can join in, let's try to talk at 3:00.

I am in the field (North Fork Siuslaw) but I will try to call in.

Topics should include

- Temp TWG (request from Jeff Light)
- August Meeting schedule (do we need a full day on each Temp & Sediment to make necessary progress?)

I reserved:
 Conference line #: Nonresponsive

Participant code: Nonresponsive

Host Nonresponsive Someone else (Ryan?) should host, as I will be on my cell and possibly in & out of range.

Cheers,

R. David Waltz
